BOOK SYNOPSIS

“In the age of Twitter and reductive history, we need a complex, fully realized, radical reassessment of history—and A Queer History of the United States is exactly that. Along the way, there are enough revelations and reassessments to fuel dozens of arguments about how we got to where we are today. I don't know when I have enjoyed a history so much.” —Dorothy Allison, author of *Bastard Out of Carolina*

A QUEER HISTORY OF THE UNITED STATES REVISIONING AMERICAN HISTORY - Are you looking for Ebook A Queer History Of The United States ReVisioning American History ?
