BOOK SYNOPSIS

From the award-winning author of *A Year on Ladybug Farm* comes the continuing story of three women who learn what it takes to turn a house into a home. A year after taking the chance of a lifetime, Cici, Lindsay, and Bridget are still trying to make a home for themselves on the newly-renovated Ladybug Farm. Life in the Shenandoah Valley is picturesque, but filled with unexpected trials? such as the introduction of two young people into the ordered life the women have tried to build for themselves. As the walls of the old house reveal their secrets and the lives of those who have gone before begin to unfold, the cobbled-together household starts to disintegrate into chaos. And when one of their members is threatened by a real crisis, they must all come together to fight for the roots they've laid down, the hopes they share, and the family they've become.
