BOOK SYNOPSIS

FINANCIAL REPORTING, FINANCIAL STATEMENT ANALYSIS, AND VALUATION, 8E is written with the premise that students can learn financial statement analysis most effectively by performing the analysis on real-world companies.

Wahlen/Baginski/Bradshaws textbook will teach students how to integrate the concepts from economics, finance, business strategy, accounting, and other business disciplines through a unique six-step process. New to this edition, chapters now include quick checks after each section so that students can be sure that they have obtained the key insights after reading each section. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
