BOOK SYNOPSIS

In the vein of Sarah MacLean, a sexy and evocative Regency romance between a vengeful duke and a fiery redhead from an author who is a veritable tour de force in the genre. "Readers need to make room on their keeper shelf for Meredith Duran" (Fresh Fiction). **A LADY WITH A SECRET** Running for her life, exhausted and out of options, Olivia Holladay wants nothing more than the chance to make a home for herself. So when she realizes that the infamous Duke of Marwick might hold the key to her freedom, she boldly disguises herself as the newest and bravest in a long line of the duke's notoriously temperamental housekeepers. Little does she know that the wickedly handsome Alastair de Grey has very different plans for her. **A MAN WITH A PASSION—FOR VENGEANCE** As his new employee, Olivia is a fearless upstart. As a woman, the daring redhead is just what Alastair needs to rouse him from darkness to the siren call of revenge. He has suffered a betrayal so deep that he will use whatever means necessary to destroy his enemies—even his brazen and beautiful domestic. But his vengeful plan fails to account for his single weakness: an irresistible and growing passion for the enigmatic Olivia.
