## BOOK SYNOPSIS

The Home Distillers Workbook tackles the often misunderstood and misrepresented world of moonshine and distillation and reduces them to such simple concepts that even a first time "Shiner" can understand. The HDW will introduce you to the three basic steps in making your own artesian crafted spirits; brewing, distilling and ageing. We will be tackling these steps one by one in a way that will have you saying "I just cant believe it was that easy." And the truth is that its even easier then that. If you can follow a recipe to make a cake then with the help of the HDW you could be making anything from Moonshine to Vodka on your kitchen stove!
