## BOOK SYNOPSIS

"Oregon Viticulture is a comprehensive, easy-to-use guide to successful strategies and methods for commercial vineyards in Oregon that will be extremely valuable both for current winegrape growers and for prospective growers." "The structure and physiology of grapevines is concisely summarized, and viticulture principles are introduced throughout the book. Standard production practices are described, and separate chapters discuss sustainable viticulture practices and organic grape growing. In addition, Oregon Viticulture addresses important business management topics not usually found in similar books, including economics, marketing and contracts, compliance with government regulations, and labor management."

"Commercial winegrape growers, students, researchers, serious home viticulturists, and individuals with a strong interest in Northwest wines and the wine industry will find Oregon Viticulture to be a valuable reference and easy-to-use textbook and guide."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
